

## **ERAZMUS + MOBILITY PROJECT**

**Mobility project is an activity under Erasmus+ Key Action 1 Learning mobility of individuals. These projects have a bilateral character and may be established at the level of the University, for all its members, or only one Faculty, depending on the academic offer and interests of the HE institutions involved. Since 2024, the University Union Nikola Tesla in Belgrade has been involved in exchanges of students and staff with universities and academic institutions from this programme.**
